

# Which Team Has the Most FIFA Club World Cup Wins? Full List Inside

The 2025 FIFA Club World Cup has been nothing short of spectacular. With its expanded 32-team format, the tournament brought together champions from every continent, delivering high-octane football, unexpected upsets, and a wave of individual brilliance. Among the many storylines, the race for the Golden Boot has stood out as one of the most thrilling.

As the tournament reaches its final stage, four players are tied at the top of the goal-scoring charts with four goals each. One of the surprise names is Ángel Di María, the experienced Argentine forward playing for Benfica. Despite his veteran status, Di María has dazzled fans with his vision, technique, and ability to find the net in crucial moments.

Joining him at the top is Gonzalo García of Real Madrid. The young striker has used the global stage to announce himself as a serious talent, displaying calmness beyond his years in front of goal. Borussia Dortmund's Serhou Guirassy is also among the leaders, using his strength and positioning to dominate opposing defenses. Meanwhile, [AL-Hilal's Marcos Leonardo](#) rounds out the group of four-goal scorers, impressing with his speed and sharp finishing.

Not far behind are several high-profile players sitting on three goals each. Stars like Erling Haaland, Harry Kane, Jamal Musiala, and Phil Foden have all played key roles for their respective clubs and remain in contention for the top scorer award depending on the final match outcomes.

This year's goal scorers reflect a fascinating balance between experienced icons and rising stars. The tournament has not only highlighted individual brilliance but also the global nature of club football today, where talent can emerge from any league, continent, or background.

As the final match looms, the battle for the Golden Boot remains wide open. Whether it's one of the current leaders or a late surge from a chasing star, the conclusion promises to be just as exciting as the journey. One thing is certain: the 2025 Club World Cup has given fans goals, glory, and unforgettable moments.
