About Your Local Owner

We are a help first business, and we do it because we care.

Megan and Amanda Boccardi

Owner

Amanda Boccardi is one of the owners of [Bio-One of St. Charles](#), along with Megan Boccardi - Amanda and Megan, both grew up in St. Louis area. Amanda graduated from Forest Park

Community College with two degrees relating to business/management and Megan graduated from Lindenwood University with a bachelors degree in Criminal Justice. After they both served several years in law enforcement within the St. Louis County area, Amanda and Megan decided to start a new chapter in their lives by opening a Bio-One franchise. After hearing about how Bio-One helps families and people during very difficult times, both Amanda and Megan jumped at the opportunity to open Bio-One of St. Charles and continue their passion for helping those who need it the most. With the opportunity available to continue to be involved in the community and help others, it was an obvious decision for Amanda and Megan to be a part of the Bio-One family.

Compassion & Understanding

Our priority is you. Bio-One, to this day, continues to be the most passionate and caring [crime scene cleanup](#) and [biohazard decontamination](#) company in the cleaning services industry. We have built our company on the foundation of discretion and confidentiality. We treat each situation with care and compassion, and take time to learn your individual needs and goals. We can open your insurance claim and work with adjusters so you can focus on other urgent matters. We strive to make a difference in our community and thrive by going above and beyond for our clients.

WE'RE READY 24/7
