About Your Local Owner

Patricia Smith

Owner

Patricia's roots are in a small town in Central Wisconsin where she raised her six children, three boys and three girls. She considered it a great privilege to homeschool them and walk along side of them into

adulthood. She then spent a few years running her own housekeeping

business as well as working as a teacher's aide in the special ed department before recently partnering with Bio-One. Her background equips her to be professional and compassionate toward those needing the resources that this company provides.
