About Your Local Owner

We are a help first business, and we do it because we care.

Bruce Ballard

Owner

Bruce Ballard is the owner of [Bio-One of Boston](#). Bruce grew up locally, playing sports

and always engaged in his father's church. Bruce is a graduate of Bridgewater State University with a degree in Exercise Science. Bruce has always had a passion for helping people. Immediately after college, Bruce threw himself into the fitness community with the goal to help assist people in becoming healthier and increasing their quality of life. Since then, Bruce has invested himself into the public sector, earning his National Paramedic license and becoming a Firefighter/Paramedic in a local community. With the assistance from wife Nicolette, Bruce looks to continue his life passion of helping those in their most dreaded time of need.
