About Hospital

Max Hospital Shalimar Bagh is a state-of-the-art healthcare facility located in the heart of the Shalimar Bagh neighborhood of New Delhi, India. The hospital is part of the Max Healthcare network, which is one of the leading healthcare providers in India, and has been serving patients since 2008.

Max Super Specialty Hospital in Shalimar Bagh stands as a premier medical institution renowned for its integrated approach to healthcare within a multidisciplinary setting. Staffed by a team of highly qualified doctors, nurses, and healthcare professionals, the hospital offers comprehensive specialist services supported by cutting-edge medical technology.

The hospital is equipped with the latest medical technology and staffed by highly qualified and experienced medical professionals. The facility has a total of 300 beds, including 50 critical care beds, and offers a wide range of medical specialties and services, including cardiology, neurology, oncology, orthopedics, pediatrics, and more.

Max Super Specialty Hospital, Shalimar Bagh has garnered recognition as a leader among healthcare providers, earning numerous awards and industry accreditations. This acknowledgment underscores the hospital's commitment to world-class infrastructure, advanced medical technology, and stringent health and safety standards. Through its dedication to excellence, the hospital continues to set the benchmark in delivering high-quality healthcare services. In addition to its clinical services, Max Hospital Shalimar Bagh is also committed to community health and wellness. The hospital regularly conducts health camps and awareness programs on various health-related topics, and works closely with local NGOs and government organizations to improve the health of the surrounding community.

The hospital's patient-centric approach and commitment to quality healthcare have earned it numerous accolades and recognitions over the years, including the prestigious NABH (National Accreditation Board for Hospitals & Healthcare Providers) accreditation, which is a testament to its commitment to providing high-quality healthcare services.

Overall, Max Hospital Shalimar Bagh is a leading healthcare provider in New Delhi, offering world-class medical services to patients in a state-of-the-art facility staffed by highly qualified and experienced medical professionals
