Best Cardio Thoracic and Vascular Surgery Doctors in India

If you or a loved one has been diagnosed with a heart, lung, or vascular condition, you want the most experienced surgeon possible without paying \$30,000 - \$80,000 in the US or UK. India's top cardio thoracic and vascular surgery doctors deliver the same outcomes at 60-80% lower cost, in JCI and NABH-accredited hospitals, with English speaking teams dedicated to international patients. Patients get benefits from minimally invasive procedures, faster recovery times, and high success rates.

HOSPIDIO works with India's finest cardiac, thoracic, and vascular surgeons, specialists in CABG (bypass surgery), heart valve replacement, aortic aneurysm repair, heart transplant, congenital heart defect corrections, and minimally invasive cardiac procedures. Many of our listed doctors have 15-40 years of experience and have individually performed thousands of surgeries.

Not sure which doctor fits your condition? WhatsApp us your reports, we'll recommend the right specialist within 24 hours, free of charge.
